Door Decorating Contest

Back by popular demand, we will have our annual RRW door decorating contest. Some of you have your doors decorated already-if you choose, you may decorate the bulletin board that is directly beside your door. A rubric will be sent out for expectations. **Doors must be decorated by Wednesday of RRW.** You must submit your entrance application via Google form by Tuesday afternoon. Any homeroom that participates will receive 5 points towards their RRW Challenge Points.

1st Place winner- 30 Points

2nd Place Winner-20 points

3rd Place winner-10 points

*Prizes will also be awarded to 1st, 2nd, and 3rd place teachers.

Red Ribbon Week Trivia

This year, trivia will be a little different. Mr. Beaty will announce the trivia question over the intercom. A Google form will be sent to homeroom teachers, and you will have all day to get your answer in. Your homeroom will get points that will go towards your grade level's RRW Challenge.

RRW Dress up Days

Please encourage your students to dress up everyday. Every person in a grade level that dresses up will receive a point, per student, that will go towards the weekly RRW challenge points.

Penny Wars

Another School favorite is the Penny Wars. Every grade level will have their own clear container. The goal is for the grade level to bring the most pennies. Pennies=good! Now, this is where the Penny "Wars" comes into place. Anytime a student brings a silver coin (nickel, dime, quarter, or even a dollar), this=bad. Let's say a 4th grade student would want to put the silver coins into the 5th grade jar, because silver knocks out pennies. So 5th grade has 100 pennies, and a 4th grader puts two dimes and a nickel, that would be 25 cents, which equals 25 points. So $100-25=75$ points that 5th grade now has. I hope this makes sense.

RRW Pledge

Students will be able to sign a pledge to be drug free during lunch time throughout the week.

Get Creative

For any class/grade level that gets creative and goes above and beyond to show their support in pledging to be drug free will receive 20 points towards their challenge points. This could be class videos on good choices vs. bad choices, make posters and hanging them around the school, a rap that your class comes up with and raps it for the morning announcements, etc. A Google Form will go out to all if you choose to "Get Creative" –this is where you will explain your creative class idea.

The winning grade level will receive a prize at the end of the week. The winners will be announced the Monday morning after RRW.
