Remember old clothes are best since most of our activities are outside. Please make sure that your child has sturdy, comfortable shoes. Flip-flops are not recommended and should optionally be worn in showers.

PLEASE DO NOT SEND: cell phones, candy, gum or food, knives, radios or electronic games, or anything else that would not be allowed in their school. Also, please avoid sending unnecessary items since your child is responsible for carrying all of their belongings from the bus to the cabins. It is not necessary to purchase a suitcase, any old bag will do.
